

Ignoring is not an option.

HEAR US gives voice & visibility to homeless children & youth.

More than 3 million children & youth
experience homelessness in the U.S.

Most are invisible.

HEAR US works hard to change that!

Since 2005, HEAR US has offered:

- award-winning documentary videos
- high-quality books for children & adults
- acclaimed McKinney-Vento presentations
- vital social media presence
- successful advocacy

Let us know how we can help you help homeless kids!
